

Technical Committee Members

Name: Roberto Lenton
GWP-title: *TEC Chair*

Short bio: Roberto Lenton is Chair of the Technical Committee of the Global Water Partnership (GWP and concurrently Chair of the Water Supply and Sanitation Collaborative Council (WSSCC) and Senior Advisor for International Development at the International Research Institute for Climate and Society (IRI). He is a citizen of Argentina, and received a Civil Engineering degree from the University of Buenos Aires and Masters and Ph.D. degrees in Water Resources Systems from the Massachusetts Institute of Technology (MIT).

Address: International Research Institute for Climate and Society
138 Monell
61 Route 9W - PO Box 1000
Palisades, NY 10964-8000, USA
Tel: +1 845 680 4414
E-mail: rlenton@iri.columbia.edu

Name: Akiça Bahri
GWP-title: *TEC Member*

Short bio: Akiça Bahri is an agronomy engineer with Ph.D. degrees from France and Sweden. She has been working for the National Research Institute for Agricultural Engineering, Water and Forestry in her home country Tunisia, where she was in charge of research management in the field of agricultural water use. She has been involved in policy and legislative issues regarding water reuse and land application of sewage sludge, and is a member of different international scientific committees. In 2005 Akiça joined IWMI as Director for Africa, Ghana.

Address: PMB CT 112, Cantonments, Accra, Ghana
Tel: +233 21 784753/4
E-mail: a.bahri@cgjar.org

Name: Hartmut Brühl
GWP-title: *TEC Member*

Short bio: Hartmut Brühl holds M.Sc and Ph.D degrees in civil and hydraulic engineering from the University of Hanover, Germany. After several years of academic teaching in hydraulics he gained extensive working experience and has had responsibilities for water resources and hydraulic engineering projects world wide, particularly in Latin America, SE-Asia and West-Africa first as a consulting engineer and later as Chief Technical Adviser in River Basin Development for the Mekong Committee. He has also worked with the KfW Banking Group as a technical expert and later as a First Vice President and head of the Technical Department.

Address: International Water Consultancy, Jägerweg 24

D-59423 Unna, Germany
Tel: +49 2303 983842
E-mail: hartmut.bruehl@gmx.net

Name: Simi Kamal
GWP-title: *TEC Member*

Short bio: Holding Bachelors and Masters degrees from the University of Cambridge, Simi Kamal has 27 years of work experience in water, sanitation, irrigation and drainage. She also specializes in the empowerment and advancement of women and developing cross-sector collaborative platforms and institutions. The Chair of Hisaar Foundation and Chief Executive of Raasta Development Consultant, she also heads and sits on several national and international commissions, committees and taskforces.

Address: Raasta Development Consultants, 3-C, Commercial Lane 2, Zamzama Boulevard, Defence 5, Karachi 75600, Pakistan
Tel: +92 21 5870735, 5871328
E-mail: simi.kamal@hisaar.org

Name: Mike Muller
GWP-title: *TEC Member*

Short bio: Mike Muller was Director General of South African's Department of Water Affairs and Forestry where he led the development and implementation of new water services and water resources policies, water sharing agreements and cooperation projects with Mozambique, Swaziland and Lesotho. A civil engineer by training, Mike also has extensive experience in general public management. He is currently a visiting fellow at the School of Public and Development Management at the University of Witwatersrand, J'burg.

Address: School of Public and Development Management
University of the Witwatersrand, P O Box 366, Bruma, Johannesburg
2026, South Africa
Tel: +27 11 717 3101 (wits P&DM)
E-mail: Mikemuller1949@gmail.com

Name: Uma Lele
GWP-title: *TEC Member*

Short bio: Uma Lele, Indian and US national, brings to TEC over 35 years of experience in the policy and financing arenas. She worked at the World Bank for much of her career, most recently with their Independent Evaluation Group. She is the first woman to obtain a Ph.D. in Agricultural Economics from Cornell University and a Fellow of the American Agricultural Economic Association. Ms. Lele has written or edited 15 books or book-length publications including, *The Design of Rural Development: Lessons from Africa*, and *Aid to African Agriculture: Lessons From Two Decades of Experience*. She has led two evaluations of the World Bank's Forest Strategies including the one currently underway of the Bank's Role in Reducing Deforestation

and Climate change (forthcoming), the Meta Evaluation of the CGIAR, 2002, and the World Bank's Global Programs 2005. She was a panel member of the Independent External Evaluation of FAO in 2006-2007.

Address: 700 New Hampshire Ave. NW, Apt. 304
Washington, DC 20037 USA
Tel: +1 202-337-1916
E-mail: uma@umalele.org
Name: Humberto Peña
GWP-title: TEC Member

Short bio: Humberto Peña is a graduate of hydraulic engineering from the Catholic University of Chile. As National Director of Water Resources (1994-2006), Humberto has played a defining role in the development of the National Water Policy and the Chilean Water Reform. Among his principal responsibilities was to lead the application of the water legal system in the country. He has worked in different national and international research programs, publishing more than 100 studies on water policies, hydrology and water resources.

Address: Lolco 8281 Las Condes, Santiago, Chile
Tel: + 562- 633 0089
E-mail: h.pena@mi.cl

Name: Claudia Sadoff
GWP-title: TEC Member

Short bio: Claudia Sadoff is an economist whose work has focused on water resources policies, incentives and institutions, and the dynamics of water, wealth and poverty. She holds a PhD in Economics from UC Berkeley, a Masters from Columbia University, and has worked as a development practitioner and researcher in Africa, the Middle East and Asia.

Address: The World Bank
1818 H Street, NW
Washington, DC 20433 USA
Tel: +202 473-1000
E-mail: csadoff@worldbank.org

Name: Patricia Wouters

GWP-title: *TEC Member*

Short bio: Patricia Wouters began her career as a practicing lawyer in (Alberta) Canada. She went on to study comparative constitutional law at UC Berkeley and public international law, with a focus on water law at the Graduate Institute of International Studies/University of Geneva. Pat was recruited to the University of Dundee and founded the graduate programme in water law and policy (1996). Pat now heads up the newly established Dundee UNESCO Centre for Water Law, Policy and Science.

Address: UNESCO Center for Water Law, Policy and Science
University of Dundee
Scotland UK. DD1 4HN
